DEAR 8<sup>TH</sup> GRADE PARENTS,

As soon as year-end grades have been entered into SAM, I will be mailing out letters to the parents of any student who did not meet the grade prerequisite for his or her requested 9<sup>th</sup> grade courses. If you feel your son or daughter may not meet the grade prerequisite for a particular course and you are considering signing a waiver, please first have a conversation with the current teacher of that course. This is one of the requirements of the waiver. Although waivers can be submitted through July 8<sup>th</sup>, the last teacher day is June 12<sup>th</sup>. Thank you.

Jewell Thacher,  
8<sup>th</sup> grade counselor
